

“Donut” forget to feed your
brain with some sweet books
this summer!

BLES teachers will be hosting
a fun story and craft hour
every Wednesday this
summer from 11am-12pm at a
local library or shelter house.

Every time you attend your
name will be entered to win
some fun prizes at our
beginning of the year
assembly next fall! We
hope you will come join
the fun!

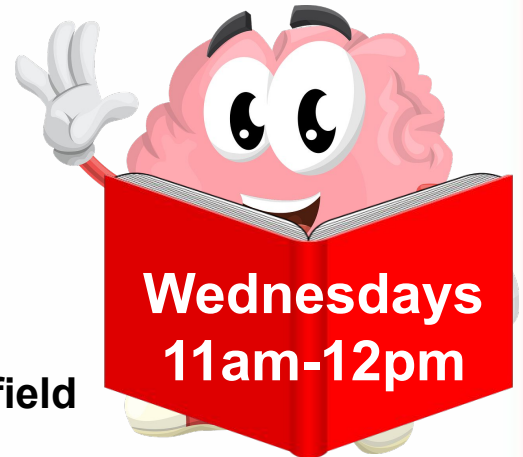

**Reading
is sweet!**

BLES Summer Reading Challenge

Dear Parents/Guardians,

The staff at Benjamin Logan Elementary would like to invite all students entering Kindergarten through 4th grade to participate in our summer reading challenge. We challenge the students to do their part to read 20 minutes a day and help our school reach a total of one million minutes read this summer.

Studies show that students that don't participate in enjoyable summer reading activities can experience what is known as a summer slide. They lose some of the skills in reading that they had the previous spring. We want to encourage all of our students to read this summer and to come back confident and ready to go in the fall.

We do have some activities and incentives to encourage students to do their summer reading. First we would like to encourage all student to join a couple BLES teachers every week at a local library or shelter house for a story hour and craft. This is a great time to share a book with friends and also check out some books to read at home throughout the week. Everytime your child participates their name will be entered into a drawing for a prize.

In addition, your child can fill out their monthly reading calendars and return them at our fall open house. When they get turned in you will get a sweet treat and your name will also be entered into a drawing for a prize.

Lastly, your minutes will be added to our school count and will go towards our goal of one million minutes read this summer! Please help us in reaching our goal. We will draw names for prizes and share the results of our challenge at our beginning of the year assembly.

We hope you have an amazing summer and "donut" forget to feed your brain some sweet books this summer!

Happy reading!

BLES Staff
